<b>Name of School or University:</b>	Astra Academy International School
<b>Location:</b>	Bangkok
<b>Working time:</b>	Full-time
<b>Write or Paste Ad:</b>	<p>Astra Academy International School, located in the heart of Bangkok, opened in September 2021 and is rapidly expanding. With a medium-sized, community-focused ethos, the school values its unique staff and families and prioritizes the well-being and talent development of its students. Astra Academy seeks an experienced, talented, and passionate Primary and Secondary Computing Teacher to join their team in August 2024.</p> <p>The position offers a two-year renewable contract with a competitive salary of 70,000 Baht per month and excellent working conditions. Applicants must hold a Bachelor of Education Degree or equivalent with a UK PGCE or other teaching qualifications granting QTS, and have experience teaching computing using the National Curriculum for England at IGCSE/GCSE levels. International school experience and the ability to teach a second subject are advantageous.</p> <p>Interested candidates should email a full CV and a two-page letter of application to <a href="mailto:hr@astra.ac.th">hr@astra.ac.th</a>, detailing their interest in Astra Academy and how their strengths can benefit its students. CVs must include a passport-style photo and three professional referees' contact details. Astra Academy is committed to safeguarding children, and employment is subject to an enhanced DBS disclosure/ICPC, criminal records check, satisfactory references, and medical clearance.</p>
