Join our Vibrant School Community as a Primary Teacher at Finnway International School Phuket!

Are you a passionate educator who thrives in a nurturing and stimulating learning environment?

Finnway International School Phuket is seeking enthusiastic and qualified Primary and Kindergarten teachers to join our team!

In this exciting role, you will play a pivotal role in shaping young minds and fostering a love of learning in our diverse student population.

What you will do:

Create and deliver engaging and effective learning activities that meet the needs of all learners, aligned with Finnish Approaches to Learning and international best practices.

Provide differentiated instruction to cater to diverse learning styles and abilities, ensuring all students reach their full potential.

Foster a positive and inclusive classroom environment where students feel valued, respected, and supported.

Collaborate with colleagues to develop and implement a cohesive curriculum, share best practices, and ensure a consistent learning experience for all students.

Utilize a variety of engaging teaching methods and resources to promote student engagement and achievement, incorporating technology effectively where appropriate.

Monitor student progress through ongoing assessment, and provide ongoing feedback to support academic growth.

Communicate effectively with parents and guardians to keep them informed about their child's progress and collaborate on learning strategies.

Play a lead role in nurturing the social and emotional development of young students.

Contribute to the professional learning community by participating in professional development opportunities and sharing best practices with colleagues.

What We Are Looking For:

A qualified teacher's license or certification and prior experience teaching Kindergarten or Primary students (2+ years preferred).

A strong understanding of the Finnish Approaches to Learning or a compatible international curriculum, with a solid foundation in core subjects like literacy, mathematics, science, and social studies.

A passion for early childhood education or primary education and a commitment to fostering a love of learning in young children.

The ability to create a stimulating, nurturing, and inclusive learning environment that caters to diverse learning styles and abilities.

Excellent communication, collaboration, interpersonal, and organizational skills, with fluency in English is essential.

The ability to design and deliver engaging and effective lessons, utilizing a variety of teaching methods and resources to promote student engagement and their skills for the future.

A commitment to fostering a positive and inclusive classroom environment where students feel valued, respected, and supported.

Experience working in an international school (preferred).
