Name of School or University:	KMIDS International Demonstration School
Location:	Bangkok
Working time:	Full-time
Write or Paste Ad:	<p>King Mongkut's Institute of Technology Ladkrabang International Demonstration School (KMIDS), situated in Ladkrabang, Bangkok, Thailand, is a specialized institution focusing on science, technology, mathematics, and design.</p> <p>We are in search of dynamic and collaborative English-speaking educators who are passionate about innovation to join our forward-thinking faculty. Operating with an American Curriculum enriched with a wide array of AP courses and electives, our classes, except for Thai Language and Culture, are conducted in English.</p> <p>We prioritize a competitive compensation package and encourage shared planning time to realize our mission of nurturing Thailand's "Masters of Innovation." With an increasing student population, we anticipate the need for a High School Biology/Chemistry Teacher for the upcoming academic years.</p> <p>The ideal candidate should be tech-savvy and inventive, demonstrating prowess in engaging students through interactive learning experiences. Experience teaching Chemistry and Biology in an American curriculum or similar is preferred, along with adaptability to potentially teach other science subjects, including middle school levels. International teaching experience and a degree in sciences or related fields, coupled with licensure to teach in their home country, are also desired qualifications.</p> <p>To express interest in this position, kindly forward your current resume and a cover letter to Stuart Fyfe (Head of Science) at stuart.fy@kmids.ac.th and Marc Bourget (Deputy Director of Academic Services) at marc.bo@kmids.ac.th</p> <p>Monthly salary: 100,000 Baht</p>
