Name of School or University:	Kajonkiet School
Location:	Phuket
Working time:	Full-time
Write or Paste Ad:	<p>Kajonkiet School Group in Phuket, Thailand, is seeking a qualified Filipino Secondary Digital Education Teacher to start in mid-July 2023. The ideal candidate should have a degree in Education with a focus on Computer Science, Computer Engineering, or IT Education, or a four-year degree in Computer Science/Computer Engineering/Information Technology with a major in programming or coding and design. The candidate should possess knowledge in various fields including robotics, programming, computing, STEM, desktop publishing, graphic design, multimedia design, audio and video editing, computer systems and troubleshooting, 3D design and modeling, design and engineering technology, and emerging web development/emerging technologies.</p> <p>The teacher should be passionate about computer science, have excellent subject knowledge, and be dedicated to ensuring students reach their full potential. Responsibilities include careful lesson planning, assessing student work, and setting targets. The ideal candidate should be sophisticated in ICT, DE, and computer science, possess outstanding characteristics such as energy, compassion, creativity, and flexibility, be willing to commit to a minimum of 1-2 years on Phuket Island, have a mature attitude towards work and a growth mindset, and demonstrate a strong desire and passion for teaching 11-18-year-old children with varying second-language abilities.</p> <p>Requirements include an accredited bachelor's degree, preferably in Education with a concentration in Computer Science/Computer Engineering/IT Education, and teaching ICT/DE subjects is highly recommended. Kajonkiet School Group offers a locally competitive salary, work permit, Thai Teaching License, and working visa. The benefits package includes health and accident insurance, paid holidays, professional development opportunities, free lunch, and support for visas and work permits.</p> <p>Interested applicants should send their CV, degree certificates, passport copies, police clearance, and references to the Head of the HR Department: hr@kajonkietsuksa.ac.th. Only short-listed candidates will be contacted for interviews.</p>
