Step into the world of adventure with KET's innovative program. It is open to graduates from all fields who dream of combining rewarding work with immersive travel experiences. This is your chance to embark on a journey like no other through our teach-in-Thailand program.

Whether you're a recent college graduate, a seasoned traveler seeking a new thrill, or someone looking to change paths years after graduation, the Teach English Abroad Program 2024 is your ticket to an extraordinary adventure.

At KET, our dedicated team handles all the necessary arrangements to ensure your transition to teaching in Thailand is seamless and completely legal. We've got you covered, from visas and work permits to teacher's licenses and visa extensions. Immerse yourself in the heart of Thailand with a paid teaching placement in different provinces. Boost your income, expand your horizons by learning the language, forge new friendships, and uncover the stunning landscapes that make up this diverse country.

Not a teacher? No worries! Our program offers in-depth teacher training and an immersion into Thai culture to prepare you thoroughly for the challenges of education.

Training sessions begin in April and October 2024, followed by teaching assignments in May and November. If your schedule allows, you can join us in Thailand earlier or later.

Our extensive training curriculum, spanning more than a week, is meticulously crafted to familiarize you with Thai culture and arm you with the skills and confidence needed for success in the classroom.

Upon completing your training, KET will guide you to your new home province, assist with securing your comfortable accommodation, and facilitate warm introductions with your new colleagues at the school.

Thailand's affordable cost of living means your earnings go far, allowing you to indulge in the country's wonders, from enchanting temples and lush national parks to pristine beaches, all within your budget.

Take advantage of this unique opportunity to live and work in Thailand with the Teach English Abroad Program 2024.

It's not just a job; it's a deep dive into a rich cultural experience that goes beyond the ordinary traveler's path.

Make a true impact, forge lasting connections, and treat yourself to some delectable Pad Thai along the way!

Are you between the ages of 21 and 60 and looking to teach English in Thailand? A bachelor's degree is necessary, and specialized degrees are required for math and science jobs.

No teaching experience is needed, but you must be ready to showcase your academic achievements.

When preparing to make the move, don't forget your paperwork! Bring your original diplomas, transcripts, certificates, and a Police Clearance Letter to Thailand.

Documents not in English require translation.

While holding a TEFL or TESOL certificate is a plus, it's not a requirement. Non-native English speakers from certain countries may need to provide an English Proficiency certificate, like a TOEIC score, which can be acquired in Thailand.

So get ready to embark on a new adventure in the land of smiles!
