

School:	Private
University:	N/A
Others:	Native or Non-native Speakers
Name of School or University:	Maryvit Rayong School
Location:	Rayong
Working time:	Full-time
Write or Paste Ad:	<p>Maryvit Rayong School, situated in Nikhom Pattana, Rayong, approximately 2.5 hours from Bangkok, is a recently established campus under the Maryvit Education Center, which boasts three campuses in Chonburi Province.</p> <p>Catering to students aged 2 to 18, from Nursery to High School, the school currently enrolls around 860 students and has nearly 30 foreign teachers in its inaugural year. The institution is actively recruiting Filipino English Teachers to enhance its team, specifically seeking educators capable of teaching Science and Mathematics in Primary and Kindergarten levels.</p> <p>Emphasizing a preference for candidates aspiring to forge long-term teaching careers in Thailand, the school has housing options available for rent and anticipates a January start date. Eligibility criteria include ages 22 to 45, Filipino nationality, a Bachelor's Degree or higher (with a focus on Education or Science-related majors), and a TOEIC score of at least 700 prior to commencing employment. Interested applicants should bring essential documents such as passport, TOEIC score, diploma, transcripts, and a recent photograph when applying.</p> <p>The school offers various benefits, including a salary contingent on Thailand teaching experience, housing allowances, additional pay for after-school classes, two daily meals on working days, and comprehensive assistance with work permits, visas, and teaching permits. Further perks encompass airfare bonuses and health insurance coverage, including outpatient and inpatient care, after the probation period, along with a retirement savings account following one school year.</p> <p>Qualified candidates are encouraged to submit their resumes to recruit.maryvit@gmail.com, and the school will contact selected applicants only.</p>
