| Write or paste self-intro or cover letter or resume here.: | <p>As a teacher, we should be optimistic that students will discover their real capabilities as we provide a learning environment that engages their eagerness to discover their talents and abilities, learn independently to be a great thinker not only on linguistic and visual in manner, but also kinesthetically, musically, and intra/interpersonally as regular as the situation allows.</p> <p>With my experience as a teacher, I realize how vital education is as the foundation of the young people to achieve success in all undertakings set before them. This is why my greatest goal is to educate young people and help them to discover their potential.</p> <p>I believe that instructional abilities combined with my work ethics, skills and strong devotion to educate students would greatly benefit the educational programs of your school.</p> <p>I am hoping with great anticipation to discuss with you many ways in which I can make a significant contribution to your school. Thank you in advance for your time and consideration.</p> |
