<b>Write or paste self-intro or cover letter or resume here.:</b>	<p>I am writing this because I am hopeful of securing a job as an ESL teacher in Thailand. I have everything one needs to teach in Thailand (UK degree, TEFL certificate, clear criminal record, though none are apostatised) as well as experience working as a teacher for which I am happy to provide references.</p> <p>As a teacher I love entertaining students and getting to know them, to be the person that they ask questions to and look for guidance and help is a pleasure to me and I especially love devising ways to keep students entertained and ensuring they enjoy my lessons.</p> <p>If you want a teacher who will have students looking forward to sessions and happy to attend classes I think I would be the perfect choice and I have the knowledge to keep sessions fun and fresh, doing different tasks but especially speaking and group activities</p>
