I teach English to the whole hotel Team, from Housekeeping to the Team Leaders, it's a very rewarding experience. I'd also like to mention that I had the opportunity to give English, Spanish and Portuguese private classes to Thai and Chinese students in Chiang Mai. I really enjoyed this experience.</p> <p>As far as teaching young kids goes, I truly believe that they learn well when we provide them with a safe and happy atmosphere and always encourage them to be themselves.</p> <p>Another aspect to consider is that children learn more if they have fun while learning and it's also very important that we stimulate their curiosity.</p> <p>I believe that as a teacher, I should help my students to develop the ability to think for themselves and unlock their potentials. This will develop their self-confidence which brings more happiness and willingness to learn.</p> <p>I'd like to highlight the important role that affection plays when teaching young learners. Educating with affection is as much or more important than to educate with all the means and pedagogical resources, to the best development of the children. As an educator, I am very much aware that I play a crucial role in my students' lives.</p> <p>As a teacher I will be looking at each student as a unique world in which I need to penetrate in order to extract the best of it with love, compassion and patience.</p> <p>I have a bachelor's degree in Spanish and Portuguese languages so I could also teach Spanish should an opportunity arise.</p> <p>I'm currently employed and would need to give 40 days notice to my current employer.</p> <p>Please do not hesitate to contact me should you need further information about my professional experience and skills.</p> <p>Yours sincerely, Marcela F. Aragao.</p>
