School:	Private
University:	N/A
Others:	Native or Non-native Speakers
Name of School or University:	Mukdahan School
Location:	Mukdahan
Working time:	Full-time
Write or Paste Ad:	<p>Mukdahan School, located in Mukdahan Province in northeastern Thailand near the Laos border, is seeking a General Science Teacher for the MEP program (M1-2) with an immediate start.</p> <p>The school offers a relaxed lifestyle, friendly locals, and a team of about 20 foreign teachers. Applicants, aged 22-55, must hold a Bachelor's Degree (Physics teachers need a degree in Physics or Science Education), and while NES candidates are preferred, non-native speakers can apply if they have passed an English proficiency test (CEFR B2, TOEIC 800, IELTS 6 or equivalent) within the last two years. A medical certificate from a government hospital is required.</p> <p>The contract begins ASAP and runs until March 31st, 2025, with an option for a yearly renewal. Salary starts at 35,000 Baht per month for candidates from the U.S., U.K., Australia, New Zealand, or Canada, 30,000 Baht for Europeans, and 25,000 THB for others, with approximately 16 teaching periods per week.</p> <p>Interested candidates already residing in Thailand should send their CV, cover letter, and relevant documents (including a passport photo page) to mukdahanjobapp@gmail.com</p>
