Dear Sir/Madam,

I am writing with the aspiration that you can bestow me an opportunity to demonstrate that I am a qualified candidate for any of these teaching subjects: English/ Economics / Business English / Business Studies/Business English/ international Business/Accounting/ Logistics/Hotel industry/ Occupational health and safety and Management related subjects.

In addition to being very professional, I believe that I can be the person who will aid and instruct students towards their achievement of goals and objectives. I can say that I am one of a selected group of teachers that come to this profession with a goal in mind, which is to be one of those teachers that students will remember forever.

The range of training and educational skills I have developed from my teaching experience and an academic background give support to my genuine interest in a teaching career and make me an ideal and potential candidate to add value to your prestigious institute. As it's evident from my enclosure, the substantial and ample experience as an instructor has provided me a unique opportunity to possess an innovative approach of teaching by incorporating computer skills into classroom work to broaden the knowledge base of learners and educators.

I have completed my bachelor's degree in the year 2009 in the commerce stream where I have had broaden my understanding of Economics, Accounting, finance, English, Marketing, logistics, Business studies. I have done my diploma in Management from Auckland, New Zealand where I have to understand the nuances of subjects like Business management, human resources, and Marketing. I have done MBA in Finance and Banking and attained a GPA of 3.82.

I am a guest lecturer in the Bangkok school of management (BSM). I teach Economics, Business Studies, Accounting and financial management, GMAT (all sections), BMAT (Math), SAT (English & Maths), GED (all subjects), and IELTS. I am currently teaching as a "full-time teacher" in English planet language Institute. I had worked at Bang Na Commercial College as an Accounting teacher.

I can teach and offer my services in subjects such as Economics, Accounting, finance, English, Math, Marketing, logistics, statistics, Research Methodology, Business studies, and other management subjects.

I am passionate about teaching children and establishing good relationships with them that help build a sense of confidence and enable them to grow as learners.

I truly believe I am a good asset to any learning institutions in which I may work as I tick the necessary pre-requisite requirements.

I hope to be hearing from you and I certainly would appreciate it if you would provide me with an interview with you.

You can contact me at my e-mail address if you need any other information.

Sincerely yours,

Raj Sankrit
