<b>Name of School or University:</b>	Satri Chaiyaphum School
<b>Location:</b>	Chaiyaphum
<b>Working time:</b>	Full-time
<b>Write or Paste Ad:</b>	<p>Satri Chaiyaphum School is in search of competent Science and Math teachers!</p> <p>You must be proficient in English, either as native speakers or demonstrating native-like fluency. You will teach grades 7-9, while the selected Math teacher will cover the same grades and also assist in Computer teaching alongside a Thai colleague.</p> <p>The contract spans 12 months, running from May 2024 to April 2025, with a monthly salary of 33,000 Baht for 11 months and 10,000 Baht for April 2025. Requirements for the Math Teacher position include a Bachelor's degree in Mathematics or a related field, along with proficiency in English instruction and computer-assisted teaching. Similarly, the Science Teacher role necessitates a Bachelor's degree in Science or a related field, with the added ability to teach English. Prior teaching experience is viewed favorably for both roles. Responsibilities will include developing and executing engaging lesson plans in line with curriculum standards, fostering a positive and inclusive learning environment, assessing student progress, employing various teaching methods to enhance mathematical and scientific skills, and collaborating with colleagues to enrich the educational experience.</p> <p>Interested candidates should submit their resume, cover letter, and relevant credentials to the provided email addresses, specifying the position they are applying for in the subject line by the deadline of April 15, 2024. For further inquiries or information, individuals may contact Mrs. Suphalak Sompong, Head of the Foreign Language Department.</p>
